Respectfully submitted to the Hon Secretary of War with the remark that it appears from these papers that the nomination of Capt J. W. Terrell as apt Qr Master has never been confirmed by the Senate

In view of his peculiar fitness for the position designated, and of the fact that he has been in the service as an officer of this Department for a considerable length of time as asst Qr Master of this Command, his reappointment and reassignment to duty with Thomas's Legion is respectfully recommended
